Referring to: Activity in Case 1:20-cv-00052-SPW ~~Caekaert et al v. Watchtower Bible~~
 and Tract Society of New York, Inc. et al Applicable Party.

Your Honor: I understand there will sometime in late September be a deposition taken by both the
 law firm Meyer, Shaffer & Stepan Montana Office: 430 Ryman St. Missoula, MT 59802, via zoom.

I am and currently have been trying to retain counsel, but with no results. The reason why is my
 income, I am on Social Security, and have no savings. I have tried many times to retain a attorney for at
 least one hour so as to get counsel on how to respond to the questions that will be ask soon at a
 deposition and up an coming trial. I have issues with the Montana Laws on confidential matters. And
 this is being contested by the above law firm. I also have informed the court of my encounter or work
 related horse accident, and the lose of memory due to head trauma, which I now have past medical
 records to help this cause.

I cannot afford an attorney, and would appeal to the court for some advice or some means of help in
 getting counsel for this matter.

Sincerely. Bruce G. Mapley Sr.
